Why (कस्मात्)?

Young audiences have limited interest in Indian history and culture.

Our Thought (अस्माकं विचारः)

We are here to awaken curiosity and drive meaningful connection, turning data and ideas into immersive AI stories.

How (कथम्)

We've integrated a next-gen AI NPC dialogue system that streams live, cloud-powered JSON responses straight into dynamic in-game conversations.

KATHA (कथा)

- Origin: Katha Upanishad (कठोपनिषद्, कृष्ण यजुर्वेद)
- The father is the sage Vajashravas (वाजश्रवस्), and his inquisitive son is Nachiketa (नचिकेता).
- A ritual where he vowed to give away all his possessions, he gave away his cows. When Nachiketa asked, "To whom will you give me?", angered father said, "I give you to Death."

KATHA (कथा)

- Taking his father's words literally, Nachiketa travels to the realm of Death, waiting at Yama's doorstep for 3 days. Impressed, Yama grants him three boons
- At his 3rd boon he asked "what happens to human soul after death"

KATHA (कथा)

- Yama explains it in 3 major points
- Humans face two paths—Shreyas (श्रेयस् - the path of the Good, leading to liberation) and Preyas (प्रेयस् - the path of the Pleasant, leading to fleeting material desires).
- Example Of Chariot (Rath / रथ): the body is the chariot, the intellect is the charioteer, the mind is the reins, the senses are the wild horses, and the Soul is the master

KATHA (कथा)

- Finally, Yama reveals that the true Self within is unborn, eternal, and deathless. When a seeker masters the chariot of the body and silences all earthly desires, they attain Brahman (ब्रह्मन्) — the infinite, supreme, and unchanging universal consciousness.
